Tune: Beach Spring 8.7.8.7.D.

Barbara Howard

1. God, whose grace re - deems our sto - ry, God, whose love has held us fast,  
2. God, the auth - or of this in - stant, God, whose voice is pres - ent tense,  
3. God, who calls us to the fu - ture, And in - vites us from this place,

In our times of joy or sor - row, Your for - give - ness frees our past.  
Help us love as you have loved us And for - give with - out de - fense.  
May the lan - guage of our wit - ness Use an al - pha - bet of grace.

Writ - ten in our his - tory's pag - es Are those times we've spent with you,  
For your mer - cy marks this mo - ment, All a - bid - ing, bold - ly true,  
Weave your heal - ing peace and jus - tice Through the vis - ion we pur - sue.

When we've found your spir - it work - ing To trans - form our lives a - new.  
Plant your spir - it deep with - in us To trans - form our lives a - new.  
Let your spir - it work with - in us To trans - form our lives a - new.
