

# Share Your Object ~ *Share Your Story!*

## Help Tell the Stories that Define Community of Christ

We are on an exciting journey to find the unique stories and objects within Community of Christ history.

We need your help! We need your story! Search your attics and closets or libraries and storage rooms of your local congregations for historic items that help tell your unique story. We want to hear how your congregation began. Is there a historic photograph or object that captures the story of your mission center or reunion ground? Perhaps there is an item that represents your family's beginnings in Community of Christ? We want to hear your story!

We invite you to submit a photo of a historic object, marker, document, photograph, or song (see reverse side) that you believe tells the unique story of Community of Christ. Your object and story will be featured in an exciting online exhibition. Join us in sharing your piece of the past with the world today!
