

CALLED TO SERVE OTHERS

Volunteer at Community of Christ Historic Sites Today!

Volunteers from all over the world are invited to serve at the Kirtland Temple (Kirtland, Ohio), the Joseph Smith Historic Site (Nauvoo, Illinois), Liberty Hall (Lamoni, Iowa), and Heritage Plaza (Independence, Missouri). Volunteers serve at the historic sites by leading tours, gardening, assisting the maintenance teams, helping in the museum store, and housekeeping. Volunteers enjoy the support of a loving and caring community at the sites and in the local congregation, furnished housing within walking distance of the historic site, free utilities, and training.
